

NY-Sun PV Trainers Network

Solar PV Permitting and Inspection Methods

Wednesday September 23 , 2015 8:30am -3:30pm

Ulster BOCES Career and Technical Center

Port Ewen, New York

The NYSERDA NY-Sun PV Trainers Network and Ulster BOCES invites electrical, fire and building code officials, including third-party contract inspectors, and municipal planning officials to attend the **Solar PV Permitting and Inspection Methods** workshop that will be held at the **Ulster BOCES Career and Technical Center** in **Port Ewen, New York** , on **Wednesday September 23** from **8:30am - 3:30pm**.

This accredited workshop, presented by Ulster BOCES Adult Career Education Center in partnership with NYSERDA and Entech Engineering will provide attendees with in-depth training on the equipment typically used in solar PV installations, on local electrical and building codes, the permitting and inspection processes. Over the course of the 6-hour workshop, participants will learn how to develop permitting and inspection checklists, gain familiarity with photos and schematics of PV systems, and conduct simulations with PV equipment. All necessary classroom training materials and lab-related tools will be provided, and Continuing Education Units (CEUs) are available.

What: Solar PV Permitting and Inspection Methods

Where: Ulster BOCES Career and Technical Center in Port Ewen NY

319 Broadway

Port Ewen, New York 12466

845-331-5050

Tuition: This training is free to attend. Pre-registration is required.

Registration: Go to <https://www.eventbrite.com/e/solar-pv-permitting-and-inspection-methods-tickets-18119166916> or call 845-331-5050

About the program: The NY-Sun PV Trainers Network aims to expand adoption and reduce installation costs of solar energy in New York State. Through education, training, and technical assistance, the Network helps local governments and stakeholders identify opportunities, mitigate barriers, and create programs that drive development of solar photovoltaic (PV) markets in communities across New York State. Please visit <https://training.ny-sun.ny.gov/> for more information on the NY-Sun PV Trainers Network.
